MIDDLE EAST FUJI LLC

Marine Supply

Your Trusted Partner at Every Port

Our Ship Supply Division is the heartbeat of our operations, serving vessels of every type from merchant fleets and cruise liners to offshore platforms and naval units. With an ISO 22000-certified cold chain, extensive warehousing, and a round-the-clock operations team, we ensure that every vessel calling at our ports is provisioned promptly, accurately, and to the highest standards.

COMPREHENSIVE SUPPLY SOLUTIONS

Provisions Supply

We deliver a full range of fresh, frozen, and dry provisions sourced locally and globally. From fresh fruits, vegetables, and dairy to meats, seafood, and specialty ethnic items, our procurement team ensures top quality, competitive pricing, and strict compliance with food safety regulations.

Technical Stores

- Engine Stores: Lubricants, maintenance chemicals, gaskets, bearings, filters, pumps, and essential machinery parts.
- Deck Stores: Ropes, hawsers, mooring wires, paints, maintenance tools, and deck fittings.
- Cabin Stores: Bedding, galley equipment, cleaning materials, tableware, and hospitality consumables for crew comfort.

Duty Free Supply

We provide bonded stores such as cigarettes, beverages, chocolates, and other duty-free consumables in compliance with port regulations and customer requirements.

Safety Gear & PPE

From IMO-approved life jackets and immersion suits to helmets, gloves, goggles, and flame-retardant coveralls, our inventory is designed to meet or exceed SOLAS and maritime safety standards.

Hand Tools & Consumables

We stock a comprehensive range of hand tools, power tools, fasteners, adhesives, welding supplies, and other consumables essential for day-to-day vessel operations.

Spare Parts & Electrical Supplies

Leveraging our global sourcing network particularly in Japan, Korea, China, and Europe we provide genuine spare parts and electrical equipment, from lighting and cables to switchboards and control panels.

SPECIALIZED SERVICES FOR THE MARITIME INDUSTRY

New Building Supply

We supply complete sets of provisions, technical stores, safety equipment, and spares for newly built vessels, ensuring they are fully operational from day one.

Long-Term Contract Supply

Our contract supply solutions are tailored for fleet owners and operators who require consistent quality, agreed pricing, and guaranteed stock availability across multiple ports.

IHM (Inventory of Hazardous Materials) Support

We assist vessel owners in complying with IHM requirements by supplying certified and environmentally safe products, Ensuring compliance with EU Ship Recycling Regulations and other international standards.

Single Window Procurement

An added bonus of our services is single window procurement services available to the trading vessels of our customers around the globe. Leveraging our robust Fuji worldwide network is a cost-effective measure for our clients as we can acquire and deliver crucial stores supplies onboard at a reasonable cost.

WHY CHOOSE US?

- 30+ years of ship supply experience
- ISO 22000 & HACCP-certified food safety systems
- Proven track record with merchant fleets, cruise liners, offshore rigs, and naval units
- Global sourcing with local expertise
- Competitive pricing through scale and supplier relationships
- Responsive, reliable, and detail-oriented service

Key Stats

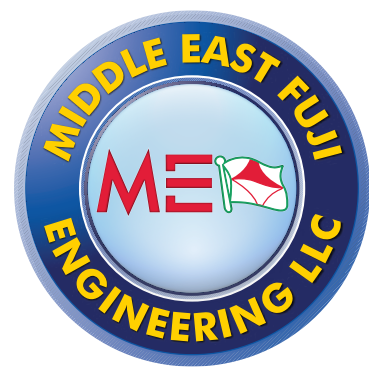

- 15,000+ vessels supplied annually
- 24/7 logistics coverage
- 99.5% delivery accuracy
- 98% client retention

When your vessel calls, we deliver-on time, every time.

MIDDLE EAST FUJI ENGINEERING LLC

Marine Engineering

Precision Engineering for Vessels

Middle East Fuji Engineering (MEFE) delivers end-to-end engineering services for mechanical, electrical, automation, and marine safety systems. Backed by over 40 factory-certified engineers and authorized partnerships with leading Japanese, Korean, and European manufacturers, MEFE ensures precision maintenance, repair, and upgrades that meet the most demanding maritime and industrial standards.

CORE SERVICE CAPABILITIES

Pumps & Turbines

Service, repair, maintenance, and overhaul of cargo pumps, ballast pumps, tank cleaning systems, stripping pumps, feed pumps, circulating pumps, vacuum pumps, steam turbines, and turbo generators.

Valves & Control Systems

Overhaul and testing of cryogenic safety relief valves, high-pressure steam valves, cargo & ballast valves. LNG/LPG cargo system controls, pressure/vacuum valves, boiler steam valves, boiler safety valves & performing Jack-up test

Deck Automation Systems

Service, repair, and maintenance of AUS, COP, tank monitoring systems, draft gauges, hydraulic VRCS, VECS. Calibration of fixed and portable gas detection systems, UTI units, ODME, water ingress detection

Engine Room & Machinery Space Systems

Calibration, service and repair of boiler controllers, combustion systems, inert gas generators, alarm monitoring systems. Certification and calibration of Fuel oil viscosity controls, bilge alarms, oily water separators, engine oil mist detection, bow thruster controls, Fire detection and water mist systems. Installation, upgradation and retrofit for EEXI engine power limiters, AMS, PMS, ACB systems, VFD installations, electrical control panels

Hydraulic Equipment

Repair and maintenance of winches, windlasses, and steering gear systems

Diesel Engine Services

Support for UEC and B&W marine diesel engines

Marine Safety Services

- **Lifeboats, Davits & Winches:** Annual & 5-year inspections, load testing, retrofits
- **Life Raft Services:** Certified inspection, servicing, and exchange program for rapid turnaround
- **LSA Services:** Life jackets, immersion suits, SCBA/EEBD cylinders, firefighting gear including hydro testing and refilling of cylinders
- **FFE Services:** CO₂, foam, water mist, dry powder system inspection and maintenance, Portable and fixed fire extinguisher servicing

Other Marine Equipment

Ballast water management systems, boilers, exhaust gas heat recovery units, incinerators, thermal oil heaters. Vibration compensators and burner management systems

ADDITIONAL SPECIALIZED SERVICES

Hoyer Marine Electric Motors & VFD Systems

- DNV, BV, CCS, RINA, KR, ABS-approved motors with energy efficiency benefits
- VFD integration for speed and torque optimization

Pre-Docking Inspection Services

- 6-month advance inspections for pumps, valves, monitoring systems, and gas detection
- Detailed reporting with recommendations for maintenance planning

Our Authorizations

Shinko Industries, Taiko Kikai, Teikoku Machinery Works, Kosaka Laboratory, Shin Shin, Fukui Seisakusho, Osaka Valves, Nakakita Seisakusho, Niikura Kogyo, PK Valves, Akasaka Diesel, Makita Corporation, Nippon Pusnes, Fukushima, MHI, Miura Co., Volcano Co., Gertsen & Olufsen (G&O), HSH, Komyo, Kashiwa

WHY CHOOSE US?

- All services under one roof mechanical, electrical, automation, marine safety
- Strong record in retrofits, upgrades, and compliance work
- Around-the-clock emergency response
- Quick regional support and global reach
- Genuine parts from trusted OEMs
- Focus on efficiency and sustainability

Key Stats

- 40+ certified engineers with 30+ global OEM partnerships
- 12,000+ parts & equipment supplied yearly
- 500+ vessels serviced annually with 24/7 service in UAE & Qatar
- ISO 9001, ISO 14001, ISO 45001 certified

MIDDLE EAST FUJI KHIMJI SHIPPING LLC

Ship Agency

Vessel Handling Simplified

Established in 2010, Middle East Fuji Khimji Shipping LLC (MEFKS) is a strategic joint venture between Middle East Fuji LLC (UAE) and the Khimji Ramdas Group (Oman). Together, we combine global marine service expertise with deep local knowledge to deliver seamless, 24/7 maritime support across all major ports in the UAE and Oman. From oil tankers to cruise liners, our experienced team ensures every vessel call is handled with precision, speed, and compliance.

MAJOR SERVICES OFFERED

Port Agency Services

Complete end-to-end port call management, ensuring smooth vessel turnaround and full compliance with local regulations.

Protective Agency Services

Safeguarding owners' or charterers' interests during port calls, with transparent reporting and cost control.

Dry Docking Support

Efficient coordination of dry docking projects, from berthing to sourcing spares, ensuring timely completion of repairs and maintenance.

Husbandry Services

Crew changes, visa assistance, medical support, cash-to-master, bunkering coordination, and quality provisions delivered without delays.

Offshore Support

Specialized launch and agency services for offshore rigs, barges, and supply vessels delivered with accuracy even in challenging conditions.

Cruise Agency Services

Passenger clearance, port logistics, and shore arrangements for a smooth cruise experience.

WHY CHOOSE US?

- **Coverage:** All major UAE & Oman ports including Muscat, Sohar, Duqm, Salalah, Fujairah, Jebel Ali, and Abu Dhabi Strong Local Links: Established relationships with port and government authorities for smooth operations.
- **Dedicated Offshore Capability:** MEFK Pearl ensures reliable offshore transfers and supply runs.

Key Stats

- **Regional Strength, Global Network:** Backed by two leading maritime service providers.
- **24/7 operations:** Always ready, always responsive.
- **Own Launch Boat:** MEFK Pearl for offshore crew transfers and supply deliveries

MIDDLE EAST FUJI WORLDWIDE TRADING LLC

Industrial & Hotel Supplies

Delivering Quality, Reliability, and Global Sourcing Expertise

Middle East Fuji Worldwide Trading LLC is a trusted procurement partner in the UAE, specializing in industrial solutions and premium hotel supplies. With a commitment to quality and service, we cater to both industrial customers seeking technical and safety solutions, and hospitality clients looking for premium food and beverage products.

INDUSTRIAL SOLUTIONS DIVISION

Delivering world-class tools, equipment, and safety solutions to keep industries running efficiently and safely.

What We Do:

- **Safety & PPE Supply:** Certified personal protective equipment and safety gear to ensure workplace compliance.
- **Tools & Machinery:** Cutting, bevelling, precision tools, and industrial machinery tailored to operational needs.
- **Industry Focus:** Oil & gas, power & water, cement, petrochemical, manufacturing sectors.

HOTEL SUPPLIES DIVISION

Providing premium food and beverage products for the UAE's leading hotels, resorts, and catering operators.

What We Do:

- **Gourmet Imports:** Premium meats, seafood, dairy, and specialty products from trusted global suppliers.
- **Tailored Supply Programs:** Customized sourcing and delivery schedules to meet hotel kitchen demands.
- **Freshness Guaranteed:** Temperature-controlled logistics from supplier to your door.
- **Client Focus:** International hotel chains, resorts, airlines, and large-scale catering companies.

Our Promise:

Whether it's precision-engineered tools for a refinery or gourmet seafood for a five-star kitchen, Middle East Fuji Worldwide Trading LLC delivers with quality, reliability, and global reach all from a single trusted source.

MIDDLE EAST FUJI INTERNATIONAL GENERAL TRADING LLC

Plant Machinery Division

Your Global Source for Plant Machinery & Spares

Specializing in the supply of mechanical, electrical, and instrumentation equipment and spares for industrial plants across the UAE and GCC. Leveraging the worldwide network of Fuji Trading Co., Ltd. Japan, we ensure quick sourcing and delivery of high-quality products from Japan, Korea, China, and other global markets.

WHAT WE DO:

Mechanical Equipment & Spares: Pumps, compressors, turbines, valves, bearings, and more.

Electrical & Instrumentation: Motors, control systems, sensors, gauges, and automation components.

Specialized Sourcing: Japanese, Korean, and Chinese-origin products for heavy industries.

Industry Focus: Cement plants, oil & gas, power & water, fertilizer, petrochemicals, manufacturing, and FPSO operations.

Urgent Supply: Fast-track sourcing and delivery for critical plant shutdowns or maintenance.

WHY CHOOSE US?

- Access to Fuji Trading Co.'s global supply network for hard to find spares.
- Decades of experience in industrial procurement and logistics.
- Proven track record serving major UAE and regional industrial clients.

Key Stats:

- Established: Part of Middle East Fuji Group's diversified trading operations.
- Geographic Reach: UAE, GCC, and select international markets.
- Sourcing Hubs: Japan, Korea, China, Europe, USA.
- Core Clients: Leading names in oil & gas, power, cement, manufacturing, and FPSO sectors.

Our Promise:

From mission-critical plant spares to complete machinery solutions, Middle East Fuji International General Trading LLC delivers with speed, precision, and reliability ensuring your plant stays operational and productive.

OUR PRINCIPALS
