## F SERIES FENDER

Aeromarine brings you the inflatable buoys and fenders with the easily recognizable blue, rib reinforced ropeholds of the A- and F-series. No wonder, this has been Polyform's hallmark for almost 60 years. Today, Polyform offers much more, like the extensive range of inflatable buoys and fenders that can be supplied in a wide variety of different colors. The reasons for Polyform's leading edge are the in-house developed molding technologies and the unique raw-materials formulations.

### Fenders/F Series Size Chart

- Wide range of sizes to suit any vessel
- Unique vinyl valve seals securely
- Even wall thickness for maximum strength and durability
- Multiple ribbed reinforced ropeholds
- Twin - eye design for vertical or horizontal use
- Designed for use in permanent unprotected moorings, pilings, locks and concrete walls
