

**Your reliable partner for
quality compressor spares**

HELLO AND A WARM WELCOME TO DHV MARINE.

AXEL GRISSMER
MANAGING DIRECTOR

For more than 30 years DHV has been providing the marine industry with high-quality spares and refurbished compressors. To us, our products are not simple numbers in a system. We know each and every one of them down to the last screw. We think of our customer as a partner, not an account. Therefore, DHV is able to provide you with concrete expertise and excellent customer service. Our greatest assets are our background in engineering and the seamless collaboration between DHV's customer care and warehouse experts to offer a personalised service experience.

Since 2021 DHV Marine is the exclusive German Sales Agent of Turbo Service International. We are connected by our shared conviction that engineering expertise and a cohesive approach to sales will provide the best quality product.

QUALITY

Made in Germany

Our number one priority is the quality of the delivered product. As part of this tenet we offer many products 'Made in Germany'. **All of our products come with 12 months warranty.**

EX-STOCK

Our Warehouse

We can supply most of the common wear parts from our warehouse. Furthermore, we make sure to stay in close contact with your fleet team to act as their partner when it comes to any vessel's compressor.

SERVICE

Compressor Specialists

We are not a marine tech supplier. As a specialists in the field of compressors we offer individual customer care and well-trying expertise in order to provide you with the best service.
