MARINE SAFETY PRODUCTS

Since 1991, Marine Safety Products (MSP) is a distinguished manufacturer of Emergency Food Ration and Emergency Drinking Water. Our products are approved by the Indian Register of Shipping on behalf of Director General of Shipping, aligning with the stringent standards and specifications set forth by SOLAS.

While initially designed to cater to emergency needs at sea, our offerings have found widespread acceptance and application across various organizations. We take immense pride in stating that our emergency ration and water supplies, have been extensively utilized by esteemed organizations such as the Indian Air Force, DFRL, Base Victualing Yards, Indian Navy, Para Military Organization and numerous others. These products have become indispensable wherever humanity faces critical and challenging situations, safeguarding lives by providing essential sustenance and hydration during crucial interludes.

EMERGENCY FOOD RATION

- Approved by the Seafaring authorities in all the major shipping nations
- Vegetarian
- One standard ration for all flags
- Available from stockholders in all major ports of the world
- Superior quality exceeding all requirements
- Provides a balanced diet for survival at sea
- Complies with SOLAS 74 /ISO 18813:2006
- Emergency Ration consists of compressed food tablets of approx. 20.33g each
- Each unit (500g net) contains 24 tablets packed in 12 bars with grease proof paper
- The 12 bars are packed under vacuum in air and watertight aluminum-foil
- This unit is protected by a water repellent cardboard box
- Unit: 24 tablets packed in 12 bars

Product validity: 3-5 years

EMERGENCY DRINKING WATER

- Emergency drinking water is used in life rafts, lifeboats and inflatable rescue boats.
- Contains ½ litre water per bag packed in 50 ml portions.
- Complies with ISO 18813:2006.

Product validity: 3-5 years
